

Children push a vintage car off the track at Padley's Crossing to allow the train to continue at the NOSA, Gillitts Lions Club's Greatest Train Race.

Full steam ahead at train race

THE Greatest Train Race sped past like a high speed train and proved to be a great success as this year's race saw 22 teams entering.

The first Hillcrest Harriers came in first, narrowly beaten by the steam train, while Pacer Picannins were the first school team to make it to the finish line.

Kloof Junior Primary School had the youngest team, the runners all being between eight and nine years old.

Kloof High School and Forest Hills Primary School also entered school teams.

Spar had three corporate teams and challenged the other Spar stores in the upper Highway area to enter staff teams next year.

The National Occupational Safety Association sponsored the event and are on board for the next eight years.

The event will be held on the last Saturday in September in years to come.

It will also feature on the ASA calendar for 2012.

The organisers thanked the SPCA and Embocraft for also being on board.
